Msgr. Ray East, nationally known inspirational speaker and revivalist, is the executive director of the Office of Black Catholics and Vicar for Evangelization for the Archdiocese of Washington, District of Columbia. He is also pastor of St. Therese of Avila parish in southwest Washington, a vibrant African American Catholic community deeply engaged in a plethora of ministries for its members and for its surrounding neighborhood.

## **Musical Guests: The Jacob and Matthew Band**

Jacob Villalobos and Matthew Leon came together as high school students to sing at a weekend retreat in Pico Rivera, CA. This was the first time the two came together to lead worship. As they introduced the theme song, "Saint in the Making", they felt an anointing and they knew this would not be the end of their time together.

Today, the Jacob and Matthew Band is a five piece southern California based group. All five share a passion for music and a determination to improve and develop their artistry.

The band brings their cutting edge style as an alternative to modern rock, and the music and lyrics inspire self-reflection. A tremendous draw amongst youth, their sound inspires a new direction in faith-based music.
