## Association Membership

The *National Association of Catholic Youth Ministry Leaders* (NACYML) is a professional organization of ordained and lay ecclesial ministers dedicated to the field of youth ministry. Membership in the association is open to adults who view their role in youth ministry as a vocation, are committed to ongoing development and ministry formation, and are connected to a Catholic parish, school, diocese, youth-serving agency or an organization serving Catholic youth ministry. The NACYML is also open to individuals who independently serve Catholic youth ministry.

## Our Mission

The *National Association of Catholic Youth Ministry Leaders* promotes the profession and practice of Catholic youth ministry.

## Our Vision

The *National Association of Catholic Youth Ministry Leaders* is a membership-driven professional organization of Catholic youth ministry leaders serving in dioceses, schools, and youth-serving agencies. In promoting Catholic youth ministry as an ecclesial ministry, we . . .

- ✚ *Serve as a network to support those serving the young Catholic Church*
- ✚ *Provide professional development, ministry formation, and personal spiritual growth in light of the National Certification Standards for Lay Ecclesial Ministers*
- ✚ *Advocate for the vocation and profession of youth ministry leaders*
- ✚ *Promote a comprehensive approach to youth ministry as articulated in Renewing the Vision: A Framework for Catholic Youth Ministry*
- ✚ *Collaborate with the U.S. Catholic bishops, the NFCYM, each diocese, and local leaders for the promotion of youth ministry and the professional development of youth ministry leaders*

## Our Values

In response to the Gospel and in pursuit of our mission and vision, we act in accord with these values:

- ✚ *The baptismal call to be a disciple of Jesus Christ*
- ✚ *The professional and pastoral competence of all ministers*
- ✚ *The spiritual growth of all ministers*
- ✚ *The giftedness of the ecclesial community*
- ✚ *The richness of diversity*
- ✚ *The wisdom of shared leadership*

NACYML is a sign that the field of Catholic youth ministry has become more professional in its practice and more recognized as a vocational call within the church. This new national organization is an exciting benchmark in the development of our very important pastoral ministry.
