

## GET BUSTED HALO WIDGETS FOR YOUR WEBSITE AND/OR BLOG

As a Catholic website with ten years of experience, BustedHalo.com is well aware of how difficult it is for parishes, campus ministries and dioceses to create and maintain dynamic and interesting web content. With all the pressing day to day ministerial needs that exist it is understandable that keeping your website up-to-date is nearly impossible. That is why we've developed our **Busted Halo Widget that delivers fresh, new and dynamic content everyday to your parish, campus ministry or diocesan website/blog for FREE.**

**Busted Halo**® is a cutting edge evangelization ministry, launched by the Paulist Fathers in 2000, to reengage twenty/thirty-something spiritual seekers in a dialog about culture, faith and religion. **Our mission is to help seekers in their twenties and thirties connect with their spirituality and to the life and mission of the Catholic Church.** We accomplish that by providing an online forum for young adults to discuss, connect, and serve, and by providing resources and tools to support the development of young adult ministry within the Church.

It's not easy to keep a website's content fresh and dynamic, but the fact is your organization's site is the only contact most people—especially young adults who live online—will ever have with you unless they physically walk into your building. It's important that your presence on the web is both timely and relevant. **That's where we can help.** Our online magazine, BustedHalo.com, has new content daily—ranging from answers to Catholic questions to feature stories on pop culture—that encourages people to think differently about their faith, and focus on the spirituality of their everyday life.

**Now, we'd like to offer it to you for free on your site.** All you have to do is drop in the provided code chunk, and you can have new content updated everyday on your homepage for free. *(Don't worry, if this sounds complicated to you, trust us it isn't, your webmaster/mistress will understand what we're talking about).* Featuring items like our Question of the Day, Daily Jolt, and Feature articles, **we can make your site more dynamic for your parishioners, and more attractive to those who may not yet be part of your community.**

If you're interested in receiving our widget just e-mail [widget@bustedhalo.com](mailto:widget@bustedhalo.com) and we'll get you set up.

The work you do in parishes, campuses and dioceses is invaluable—but it's often quite difficult—we hope we can make it a little easier with the **Busted Halo Widget.**
